

## CELL PHONE PERMISSION

Cell phone use is not permitted by students on the school premises at any time.

For those students who need to carry cell phones for use on the bus or for transportation, this permission slip must be on file.

These rules must be followed:

- Phones must be kept off for the duration of time at Regina Coeli Academy. Phone cannot be left on silent or vibrate.
- Phones must be kept in the student's bag during the school day.
- Students may not use the phone while on school property, which includes any school sponsored activity or after-school program.
- Content on a cell phone brought to school is subject to Regina Coeli Academy's policies as delineated in the parent-student handbook.
- Students who violate any of the rules will forfeit the privilege of bringing a phone to school.

If a cell phone rings or vibrates during the school day, the phone will be confiscated and brought to the front office. At the end of the day, prior to departure, the cell phone will be given back to the student, and an email will be sent to the parents. If this happens more than once, the student will forfeit the privilege of bringing the phone to school.

The administration of Regina Coeli Academy reserves the right to amend the cell phone policy. Parents will be notified in writing if changes are made.

The administration also reserves the right to search all electronics, including cell phones, that students have on school property.
